

Le MERIDIEN

**BEST PRACTICES IN PRODUCT MANAGEMENT:**  
*Building Insanely Great Products*

# EVENT AGENDA

## Overview:

This event addresses a wide range of business topics but has a special focus on product management and marketing. In particular, it is trying to offer general guidance on what it takes to build highly successful products from the perspective of people that worked in leading roles at companies such as Apple, HP, Schneider Electric etc. Our participants will meet and learn from leading industry practitioners on topics focused on sales and marketing strategy, business development, product development, product and portfolio management, partnerships and distribution channels. This event is also a unique opportunity for business professionals to network with a wide range of professionals from the same field or other industries but sharing the same passion of becoming the best informed professionals in their field.

## Morning Session: 8 AM - 1PM

- Do's and Don'ts for Product Managers: Lessons learned the hard way
- From Product Manager to Entrepreneur: Ensuring Success and Understand Failure
- What features make a product INSANELY successful?
- What competencies are critical for a successful product launch?

## Afternoon Session: 2PM - 5.30 PM

- Understand pricing and pricing strategies
- What is the practical meaning of operational excellence?
- Financial concepts and decisions for product leaders and marketers
- Cost effective Product Portfolio Strategies

## Networking:

A special networking event will take place at the end of the day, from 5:30 pm until 7:30 pm. This is a great opportunity to connect with peers and exchange a few business cards.

## Suggested Audience:

- Product Leaders (Director, VP, Business Unit Manager, Start Up, Entrepreneur);
- Product Manager and Product Marketing Manager;
- Product Owners and Strategists.
- Managers of Industry, Portfolio, Program; Field Marketing, Business Development and Sales Management.

## **A UNIQUE LEARNING EXPERIENCE THROUGH INNOVATIVE EVENTS LED BY TODAY'S TOP BUSINESS PEOPLE.**

### **Why Attend?**

Axentys Events offer an outstanding learning and networking experience for business professionals and led by top business professionals.

### **Quality:**

Our keynotes and workshops are led by experienced corporate and business practitioners focused on excellence in execution, business sustainability and innovation.

We make sure that our event agenda is addressing today's business challenges and/or provide the best or at least an exceptional training material. We only use the best presenters delivering best practices, best and proven execution methods and real world, case study material that will provide an outstanding learning experience.

### **Networking:**

Our events offer a great opportunity to for collaboration and professional growth through meeting and learning from a diverse group of business professionals.

We strongly encourage our attendees to make new business relationships and exchange business cards during our networking session and our multiple networking breaks. Many times these new relationships can prove to be much more beneficial than the material presented. At the end of our session, all our attendees should have at least one more business contact to get the most out of these events and we will try our best to make that happen.

### **Who Presents?**

Executives and Business Leaders, Subject Experts, Authors, Thought Leaders and Innovators. Our extensive industry relationships allow us to tap a phenomenal pool of highly talented professionals and we are constantly increase the size of that pool.

### **Who Attends?**

Business executives, leaders, managers, industry practitioners, experts, consultants, entrepreneurs.
